Unbound Solar carries durable solar battery boxes and enclosures that are perfect for your off-grid or grid-tie with battery backup system. Browse today.

EcoDirect offers battery boxes, racks and enclosures for off-grid energy storage applications in solar PV systems. These products support the most common battery types.

These solutions are available in various configurations, including battery-powered, solar-powered, and hydrogen fuel cell containers, each with distinct advantages.

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.
