Who is developing a solar farm in Benin?
The solar farm is under development by the Government of Benin,with funding from the European Union (EU),the French Development Agency (AFD) and the Beninese Electricity Company (SBEE). The power station will be built in phases,with the first phase of 25 megawatts capacity followed by the second phase of equal magnitude.

How will the Beninese solar power station work?
The power station will be built in phases,with the first phase of 25 megawatts capacity followed by the second phase of equal magnitude. The energy from this solar plant will be integrated into the Beninese national electricity grid,during the 25 years of the solar farm's expected lifespan.

Where is the power station located in Benin?
The power station is located in the town of Pobè,in Plateau Department,in southeastern Benin,close to the international border with Nigeria. Pobè is located approximately 34 kilometres (21 mi),by road,north of Sakété,the capital of Plateau Department.

Who built the Beninese solar farm?
The Beninese government selected the French engineering and construction conglomerate Eiffageto design,construct,operate,maintain the solar farm for the first three years of commercial operation,then transfer it to SBEE. Eiffage in turn,tasked two of its subsidiaries,Eiffage Énergie Systèmes and RMT to carry out the task.

Akouèdénoudjè says solar power in Benin is mainly generated by photovoltaic plants such as the 25-megawatt Illoulofin facility in the southeastern Pobè region.

Axian Energy and Sika Capital launch $42.7M solar project in Benin, powering 50,000 households and advancing national clean energy goals through innovative renewable ...

Illoulofin Solar Power Station, is a 50 megawatts (67,000 hp) solar power plant in Benin, whose first 25 MW was commissioned on 19 July 2022, and the next 25 MW is under construction ...

The government of Benin has announced the start of construction on its 25 MW Forsun solar power plant which also opens for possibility of extension for solar pv storage in ...
