Guatemala's solar inverter and battery import market continues to thrive, with key exporters like China, USA, Mexico, Vietnam, and Germany dominating shipments in 2024.

GXY New Energy provides hybrid and on-grid inverter systems built for solar power and energy storage. We offer durable, efficient inverters from China to global clients.

By sourcing hybrid inverters from Chinese factories, you can benefit from lower costs, a wide variety of products, and the ability to customize features to meet your specific needs.

Welcome to Wasion Energy! We focus on solutions and key equipments for Source-Grid-Load-Storage of power system. Hope you like it and find what you need.
