Copenhagen is the capital and largest city of Denmark. It is located on the islands of Zealand and Amager, at the southern end of The Sound.

In 2023 Copenhagen Atomics closed an investment round of EUR25 million and this enabled the move to a new headquarters/test facility and towards growing the company into a global leader ...

But beyond the remains of a 1,000-year-old castle, museums dedicated to the famous raiders, and narrow streets slotted between picturesque canals, you'll find that Copenhagen is a thoroughly ...

A comprehensive budget travel guide to Copenhagen with tips on things to do, see, costs, ways to save money, accommodation, and more.
