Cubans attend a rally Saturday in Havana in solidarity with Venezuela after the United States captured Venezuelan President Nicol#225;s Maduro and flew him out of the country.

With an area of more than 44,000 square miles (114,447 sq. km.), Cuba is the largest island in the West Indies, accounting for more than one-half of the total Caribbean land mass. ...

The capture of Nicol#225;s Maduro is a devastating blow to the alliance between Venezuela and Cuba. Many wonder if the island nation will be targeted next.

Cuba, country of the West Indies, the largest island of the archipelago, and one of the more-influential states of the Caribbean region. A multicultural, largely urban nation, it has ...
