What's the difference between a single and a double quotation mark in English? I've heard that it only depends on where you live the US (for double quotation mark) or the UK and ...

1 "What is a difference between X and Y?" is also grammatical, but it means something that one hardly ever wants to say: the speaker has deliberately refused to indicate ...

When you think that there are more than one unlike events involved, use plural. For example: Are there any differences? If you talk about one particular What is the major difference?

You might want to include in your answer the difference between "few" and "a few", "little" and "a little",
