One solar project is an operating solar farm in Pecs, Baranya vrmegye, Hungary.

The Hybrid AC/DC Solar Air Conditioner is a sustainable and energy-efficient cooling solution that uses both solar and traditional electricity to provide cool air. 100% energy saving in day time.

While many factories operate here, one name stands out: EK SOLAR. Founded in 2018, this manufacturer has deployed over 12,000 residential systems across the EU.

Our company has been planning, installing and distributing solar systems for more than 10 years. Our office and warehouse are located in Magyarbly, in the southwest of Hungary and we ...
