Providing best in class fully authorised and certified on-grid, hybrid and off-grid inverters from industry leading manufacturers from around the world.

We, at SolarFeeds, have brought together nearly all the popular solar inverter wholesalers, who offer a large number of inverters at much cheaper pricing compared to the retail market.

Our advanced inverters convert solar energy into usable electricity with seamless efficiency. Choose from grid-tied, hybrid, or off-grid models to match your energy needs.

It is manufactured with an LCD that makes its operational configuration easy and stress-free. The inverter has many features that make it function better and last longer. This hybrid PV inverter ...
