Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, ...

Built for long-term performance and easy deployment, our Crypto Hydro Containers are the future of sustainable crypto mining.

Multiple high-efficiency photovoltaic (PV) panels (such as half-cut battery modules using N-type TOPCon technology, with a single panel power output of 480W to 610W) are ...

Fold & Go PV containers provide resilient, space-efficient solar energy for remote operations, disaster response, and off-grid applications. Learn how our 1MW Guinea mine ...
