We have installed Off and On Grid systems in over 300 homes and different Institutions in Malawi. We are specialized in Off-Grid and On- Grid solar systems. We are the experts in renewable ...

Each system, including 5 kW panels, a 10 kWh lithium battery bank, and real-time remote monitoring, cost around USD \$25,000, including shipping and installation.

As a leading solar installation company in Malawi, we specialize in designing and implementing customized solar projects for residential, commercial, and industrial clients.

Products are sold at 30% to 90% of total cost, supporting low-income Malawians while ensuring true need and high usage rates.
