Trump's latest round of tariffs, when combined with earlier trade moves, will impose a 64.5 percent tax on grid batteries from China, and ...

The Biden Administration will more than triple the tariffs paid on batteries and battery parts imported into the US from China, from 7.5% to 25%, in a huge move for the industry.

Trump's latest round of tariffs, when combined with earlier trade moves, will impose a 64.5 percent tax on grid batteries from China, and that rate would rise to 82 percent next year.

As of mid-2025, none of these rescinded orders have been replaced by equivalent initiatives. This rollback ends key interagency programs that supported clean energy and equity-focused ...
