Is gruv legit? They are having a good 4K sale right now and I was wondering if anyone has experience with them? I will post a link into the comments to what I'm talking about

What is everyone's experience with gruv when it comes to damage? Is it worth contacting customer service for case damage or does everyone just take the L and replace the ...

Anyone Ever Hear Of Or Use A Site Called Gruv? A rather "exactly what it says on the tin" question. I was on the hunt for a specific title and I discovered a site called Gruv that sells ...
