What are some popular services for solar installation?

Our solar luminaires recharge the battery during the day and switch on automatically at dusk. We also have motion sensor lamps, which optimise performance and battery life.

Installed on 2.5-meter-tall poles, these high-intensity solar garden lights have transformed the illumination landscape of a suburban industrial park in Spain.

New and used Solar Lights for sale in Madrid, Spain on Facebook Marketplace. Find great deals and sell your items for free.
