Who are the New Zealand Breakers?

The New Zealand Breakers (also known as the BNZ Breakers for sponsorship reasons) are a New Zealand professional basketball team based in Auckland.

Where can I find quality switchboard parts in NZ?

Our range of quality locally represented accessories all have guaranteed compliance with NZ standards. Check out the switchboard parts at Eurotech NZ including main switches, circuit breakers & surface enclosures from Hager, PDL & HEM. Our range of quality locally represented accessories all have guaranteed compliance with NZ standards.

Who makes panel mounted main switches?

For panel mounted main switches in domestic, commercial or industrial applications, PDL by Schneider Electric's S-Series is a recognised industry leader. Operating from 35 to 300 ampere, the S-Series of enclosed main switches will reliably meet your application needs.

What is a residual current circuit breaker (RCCB)?

Residual Current Circuit Breakers (RCCB) are your best defence against electrical hazards. The devices protect users from electrocution, and property from damage. RCCBs are designed and certified to protect from effects of an electric shock in the event of a person coming into direct contact with a live wire.
