Who is Nan Ya Plastics Corporation?

Nan Ya Plastics Corporation was founded in 1958. The four main product categories of the company are plastics processing, plastic materials, electronics materials and polyester product.

Where can I find Nanya resins?

PC inks, composite materials, powder coatings. Explore a comprehensive range of NANYA resins and specialty chemical materials at Evergreen Chemicals-- your official NANYA distributor. We offer unsaturated polyester resins, epoxy resins, and advanced polymer solutions for applications in electronics, construction, marine, and composites.

How do you ship a new container?

We ship all new containers using the "one-trip" method when the vessels are loaded with goods for their first voyage. This approach drops shipping costs and import duties, which are covered by the purchasers of the transported goods instead of you.

Nan Ya Plastics Corporation was founded in 1958. The four main product categories of the company are plastics processing, plastic materials, electronics materials and polyester product.
