We are offering mini renewable power stations in a Off-Grid shipping Container ready to be deployed worldwide. These include solar PV panels and mountings.

Mars Solar"s solar energy system not only helps in reducing carbon footprint but also saves a substantial amount of money in the long run.

In BE, "off work" means not working, possibly because of illness, or because you are on leave or have a holiday. Therefore, in BE, your question would make sense.

Hello, Does anyone know what is the difference between "once-off" and "one-off" or whether once-off is used across the English-speaking world? Recently an English colleague ...
