**QUALIFICATION** definition: a quality, accomplishment, etc., that fits a person for some function, office, or the like. See examples of qualification used in a sentence.

There are 11 meanings listed in OED's entry for the noun qualification, five of which are labelled obsolete. See "Meaning & use" for definitions, usage, and quotation evidence.

**qualification** Qualification is a skill, attribute, accomplishment, or attribute that makes someone suitable or capable of performing a certain job, task, or activity.

A qualification is a detail or explanation that you add to a statement to make it less strong or less general. The empirical evidence considered here is subject to many qualifications. This ...
