Our off-grid shipping container homes offer a unique opportunity to create a self-sufficient, personalized haven designed to fit your needs. From innovative floor plans to green ...

Discover how to build a self-sufficient off-grid shipping container cabin using solar, wind, and rainwater systems -- the perfect eco retreat for 2025.

We are a family owned and operated container home builder. Using a combination of 20- and 40-foot containers, we create unique, functional, and modern container structures.

Planning a shipping container cabin? See costs, 20-ft & 40-ft sizes, insulation/condensation fixes, prefab vs DIY, off-grid systems, and permit basics.
