Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

These rugged, self-contained systems integrate large solar arrays, advanced battery storage, and high-capacity fuel cells -- with optional diesel redundancy when regulatory or client ...

Get free shipping on qualified Waterproof Storage Containers products or Buy Online Pick Up in Store today in the Storage & Organization Department.

These solutions are available in various configurations, including battery-powered, solar-powered, and hydrogen fuel cell containers, each with distinct advantages.
